- 3) The Critics Corner aka “The Inklings Moment” : Every month one or two of our authors will review something they are working on. The intent of this period is to give the author the opportunity to have other authors read, hear, and comment on what the author is writing. This is meant as a period of encouragement, and of constructive review. What did you like about what the author wrote? What did you learn from what was written? What could be improved upon? This also give the author the opportunity to discuss what is behind what is written. If you would like to be included in next month’s review, please contact your chapter leader and provide up to 4 pages of content.

This Month’s Review – Open
